The Finnish Experience: The Finnish Heritage Museum

The Finnish Heritage Museum gallery has changing exhibits throughout the year telling the story of Finnish heritage and various cultural traditions by displaying artifacts and providing information relating to this important history. The museum allows visitors the opportunity to learn why the Finns immigrated to northeast Ohio, particularly Fairport Harbor. Arriving here in the mid to late 1800's they brought with them their customs, work ethic, religious and moral beliefs.

Tour of the Museum Gallery and Hall of Fame.

A guide in Finnish costume takes you on a tour of the museum and tells you about the Finns. You will learn about the early families who settled in the area. Discover their history and customs from past to present. End your tour in our coffee/gift shop with a complimentary cup of FHM private label coffee and a slice of "nisu", a cardamom flavored sweet coffee bread.
